ARMED PROFESSIONAL COURSE DESCRIPTION

RANGEMASTER

Duration: 5 days

Price: \$695

The Range Master course is an advanced instructor program designed to elevate instructors above their previous certified level and prepare them to excel in all facets of firearms training administration and shooting range management. The course will provide range operations, program management material, and technical information that will allow the instructor to manage their overall operation. The techniques are founded on decades of experience and apply to all modern day police and armed security training. This course is a "must" for those who have or anticipate having responsibility for their department's firearms training program.

Topics Covered:

- Range operations
- Firing range development and design
- Observation of other facilities and ranges
- EPA and OSHA concerns
- Diagnosing problem shooters
- Improving shooter performance
- Coaching duties
- Range commands
- Skill development with a coach (dry and live fire)
- Ammunition performance criteria and trends, evaluation and selection
- Understanding testing protocols
- Shipping and storage guidelines
- The forensic firearms lab and the Range Master
- Advanced shooting techniques
- Program management
- Defending your programs
- Evaluating agency training criteria
- Documentation and record keeping requirements and solutions
- Introduction to computerized range tracking systems
- Relevant course of fire design using critical incident reviews
- Concealed carry and range safety requirements
- Selecting reduced light equipment (flashlights, lasers, NVD's)
- Tactics for reduced light
- Searching techniques and room clearing
- Interactive training

Requirements and/or Prerequisites:

- Proof of current law enforcement, military or private security status.
- Proof of agency instructor status.
- All equipment required for the course.
