# **TRADE YOUR OLD BRASS FOR NEW PORTABLE TARGETS!**

**Action Target and Southern Belle Brass are excited to bring you this new program! Here's how it works:**

1. Round up all your old spent brass and securely fasten the drum(s) or other container(s) to a pallet. Brass or nickel plate only. No aluminum, steel, or shotgun casings please.
2. Call Action Target at 801-705-9113 to schedule a pickup within the continental United States.
3. The brass will be picked up and delivered to Southern Belle Brass where they will inspect and weigh the shipment. If the shipment is over 1,000 pounds, they will even pay for the freight charges.
4. You will be contacted by Action Target with a credit amount based on the net weight of the brass.
5. You can then use that credit to purchase any product in our Portable Target line!
6. Credits can be used right away, or saved over time for larger purchases.

This program is a great way to supply your range with superior portable targets without spending any of your annual budget money. Take advantage today!

For mor information, call 801-705 - 9113 or FAX to 801-377- 8096.
