Dear Aaron:

Now that the Houston Police Department firearms range project has been completed, I would like to express my sincere appreciation and satisfaction with the service you provided to us.

The construction of our new tactical range and the renovation of our existing SWAT range was successful due in large part to your involvement throughout the entire project. Thanks to your efforts, the project was completed in a timely fashion, and we remained within our budget. Our SWAT operators and firearms instructors have given me nothing but positive feedback about the ranges. Your support was outstanding, and will pay benefits to the officers and citizens of Houston for years to come.

If I can be of further assistance, please feel free to contact me at 713-308-1890.

Sincerely,

A handwritten signature in black ink that reads "K.A. Munden".

K. A. Munden, Executive Assistant Chief
Patrol Operations
