**PROJECT NAME
AND LOCATION:**

**Montgomery County Tactical Weapons Training Facility
Conshohocken, PA**

PROJECT SCOPE:

This facility consists of a 15 lane/50 yard range and a 6 lane/100 yard range. Both ranges are used with handguns and rifles and are protected with rifle grade safety baffles. Featured equipment includes D-TAPS turning targets, a Total Containment Trap, double Track Runner moving target systems, and the SmartRange control software.

OUR ROLE:

Action Target played an important part in designing this state-of-the-art indoor tactical training facility, and served as the prime contractor for the ballistic and ventilation part of the project.
