

SHOOT STRAIGHT

SEVERAL TOTAL CONTAINMENT TRAPS
FT. LAUDERDALE, FL

ESTIMATED RANGE EQUIPMENT COST:
\$350,000 - \$450,000

Shoot Straight has been in the Gun Sports industry since 1979, and is the largest gun dealer in Florida. Prior to building this range they already had 7 gun shops with shooting ranges spread out around the state of Florida. Action Target was privileged to work closely with Shoot Straight to help build this 24 lane indoor range in Ft. Lauderdale, which is a great addition to their growing retail gun stores and shooting ranges, making this their 8th location.

This 24 lane range is split into 3 separate bays, with 8 lanes per bay. All the lanes are equipped with Action Target SRET target retrievers, ballistic shoot stalls, overhead ballistic safety ceiling and baffle system, and a granulated rubber berm trap. All 24 lanes are rated for pistol and rifle use.

PROJECT SCOPE

- 24 lane indoor range
- 25-yard shooting distance
- Rubber Berm Trap
- 24 SRET target retrievers
- Shooting stalls
- Baffles
