Training for Active Law Enforcement

LETC | LAW ENFORCEMENT TRAINING CAMP

AUGUST 21-25, 2023 | EVENT SPONSORSHIP OPPORTUNITIES

Action Targets will be hosting our annual 4-day Law Enforcement Training Camp (LETC), an open-enrollment training event for over 100 officers from around the nation. During this event, officers will experience some of the country's finest instructors, training, and be exposed to some of the industry's best equipment. Our event has been held annually in Utah County, Utah, for over three decades to improve each officer's skills and enhance the quality of their departments across the nation.

Don't miss your change to show your appreciation and give back to the law enforcement community by collaborating and providing meaningful support for our event. We are eager to work with you and explore the possible outcomes and support your organization can provide. Based on your organization's sponsorship level, you will have the opportunity to have critical branding and advertising placement at the event.

We believe that working together, we can create an event that outshines all expectations. We look forward to working with a great organization like yours in support of the law enforcement community at the Action Target August 22-26, 2022 LETC Event.
