

LAW ENFORCEMENT RANGE DEVELOPMENT AND DESIGN SEMINAR

NOVEMBER 8-9, 2023
GILBERT, ARIZONA

STEP BY STEP PROCESS TO DEVELOP AND BUILD YOUR SHOOTING RANGE

Get the answers you need to build a state-of-the-art shooting range that provides high-quality training for your department. By attending the Law Enforcement Range Development and Design Seminar, you will be able to converse with subject matter experts who will guide you in making key decisions about the process of building your range. You will have the opportunity to tour and shoot on a fully tactical LE indoor range—seeing first hand what a modern training facility looks like. We will conduct a live-fire training course (including Low-Light Training) on the tactical indoor range which can be applied towards 8 hours of firearms instructor continuing education.

Disclaimer: Due to limited space, there is a registration limit of 2 attendees per agency.
